Travel & Tourism Department selects Champaign County

The Ohio Division of Travel and Tourism has selected Champaign County to host a regional workshop on September 19. The workshop will focus on marketing and promotional partnerships with the Ohio Department of Travel and Tourism.

“This is a great honor for Champaign County,” stated Kelly Evans-Wilson Executive Director of the Champaign County Chamber of Commerce and Visitors Bureau. “The Ohio Department of Travel and Tourism recognizes Champaign County’s contribution to the tourism industry. Hosting this workshop is an opportunity to showcase Champaign County and all that we have to offer.”

Travel and tourism professionals from across Ohio will be invited to attend the morning workshop, which will be held at Robert Rothschild Farm. The session will begin at 9:00 a.m. and conclude at noon. There is no cost to attend the event.

“I would encourage any retail or commercial business to attend the workshop.” said Evans-Wilson. “In addition, any organization that plans festivals or events would benefit from the information.”

To register for the workshop contact the Champaign County Chamber of Commerce at 653-5764.

The mission of the Champaign County Chamber of Commerce is for the purpose of advancing the commercial, industrial and civic interests of Champaign County and its trade area.
